

!Yay welcome to the Ooo Bear Family!

Your Memooories Framed - A unique way to display that 1st sleepsuit / clothing full of memories.

This is how you display that precious sleepsuit / clothing with no cutting involved. It will take you about 15 minutes to complete and you can change the item of clothing as often or as little as you wish.

What you need before you start

- 1) A frame of choice – For best results it should be an A3 with a mount board large enough to frame your A4 Cutooout.
- 2) Cellotape or a tape of your choice to attached your Cutooout to your frame mount.
- 3) Your sleepsuit / item of clothing you wish to display. Please make sure this is washed and ironed for best results. Please note if you are using a sleepsuit it will be the back of the sleepsuit on display.

Once you are ready – here we go!

Step 1

Attach your Cutooout to the mount board with cellotape or a tape of your choice.

Step 2

Place your mount inside your frame

Step 3

Open your sleepsuit / item of clothing.

Take your clothing insert card and place in inside your sleepsuit / item of clothing. Use the neck and shoulder shaping on the insert card as a guide.

Step 4

Fold around the insert card so it is snug and flat on the underside.

Button up for your sleepsuit leaving the gusset and last popper prior to the gusset open, laying it out flat as seen in pic. (This is crucial as causes less bulk in this area)

Step 5

Take the bottom gusset poppers and fold them over so they are lying flat facing the bottom of the insert card.

Fold the arms and the legs upwards and inwards (see pic in step 7). You can tape these in place so they don't move if you wish.

Step 6

Turnover and ensure you are happy with the placement of your sleepsuit / item of clothing behind your Cutooout. For example – ensure there are no seams visible in the Cutooout area etc.

Alter as necessary.

Step 7

Once you are happy, place inside your frame

Step 8

Put the back of the frame in place and tape up for extra security with the tape we have provided.

Step 9

Hang on display and enjoy seeing the memory every day.

If you have any problems at all, please do not hesitate to contact us via Facebook or Instagram or you can pop us an email at info@myooobear.co.uk.

If looove this product and would like to see what else we do, why not pop over to our website and take a look. Plus, don't forget to sign up to our Ooo Mail for exclusive behind the scenes and special offer.
